Welcome to our programme for the 2-016/17 season. We invite existing members to renew their season tickets and welcome any new friends who wish to join. Your Committee hope that the three-month rolling programme will allow us to screen new films almost as soon as they become available, rather than delay until the following season when you may have already seen them. It also lets you, our audience, suggest films you would like to see late this same season. Keep up to date with our programme by visiting our website at www.wincantonfilm.co.uk

All films are shown in the Performance Centre at King Arthurs School which has tiered seating, wheelchair access and free parking. Doors open at 6.45pm and refreshments are available. All films start at 7.30pm unless otherwise advised. As a member of the Film Society you will get free entry to 10 films this season. Alternatively you can pay at the door to see individual films. Please see the Application form overleaf for pricing details.

We do hope you will continue to support Wincanton Film Society and look forward to seeing you at the start of the new season. Why not bring a friend.
